Declaratory Resolution No. 1 of 1920 For Determining Width of Water Course

Be it Resolved by the President and Board of Trustees of the Town of Cambridge City, Indiana, that, Whereas, there has come a demand that the of the Stream running through Blocks Six (6) And Five (5) West of the River and North of the National Road in the Town of Cambridge City, Indiana, be determined and fixed that Adjoining Lot Owners may Construct walls for the protection of their property and to prevent the Washing of the banks of such Stream and the Cutting of the Banks and lots adjoining thereto,

And Whereas, the Board of Trustees acting in connection with the Citizens of said Town have had a survey made of the water shed of such stream looking to the definiteness of the width of such stream, based upon the Amount of water it is necessary for it to carry of the drainage water of the Lands that drain into the same,

And Whereas, such survey has been made and upon the Center line of such stream at points distance from the West Street Property Line, And fixes the width of such stream necessary to carry such Water at Eighteen (18) feet, Width feet on each side of the Center line of such Stream;

Now, Therefore, Be it Resolved that the Board of Trustees deem it advisable to fix the Width of such stream where the same runs through Blocks, Five (5) And Six (6) West of the River And North of the National Road in the Town of Cambridge City, Indiana, extending from the East line of Walnut Street to the West line of Foote Street in said Town of Cambridge City, Indiana, as follows:

On the East line of Walnut Street the center of such Stream shall be and is hereby fixed at the point where the water main of the Water Works

On the West line of Foote Street in said Town of Cambridge City the Center of such Stream shall be One Hundred Twenty Two and Fifty Hundredths (122.50) feet from the East line

that on the East side of Main Street and how the Centre of the stream shall be One Hundred Thirty Three (133) feet from the W. E. line of Main Street, [illegible] Main St. is the same as the National Roads And that the North line of Main Street and the South line of Lots Bordering on the North side of Main Street in said Town are one and the same and Coincide. That the width of said Stream in said Blocks Five (5) and Six (6) be determined by Measuring Nine (9) feet N. 8th and Nine (9) feet South from each Centre line of said stream.

Be it further Resolved that all [illegible] improvements Constructed along such stream be in a straight line from the Points of measurement herein set out as nearly as same can be constructed and shall be so constructed that the width of Sixteen (16) feet shall be maintained clear of all obstructions and that all walls, Constructed have a base of the width of Four-tenths of the height of such walls or more as directed by the Party Constructing the same but not less than such width of base.

In the matter of the petition of the Town of Cambridge City, Wayne County, for approval of a temporary loan of $10,000 for the current expenses of said town. } No. 2293.

H. F. Hogan, Pres.,
Board of Trustees,
Cambridge City, Ind.

Dear Sir:- Petition in the above entitled matter has been received and filed.

The date of hearing has been fixed for Sept. 27th, 1920 at Indianapolis. Please see that two weeks' notice is given. If published, the first publication must be at least fourteen days before the hearing, and second publication one week after the first. Publication must be in two newspapers of opposite political parties published in the Town of Cambridge City, the taxing district affected by this loan. If only one paper is published, one is sufficient. Notice in paper in another taxing district is not proper. If no newspaper is published, notices must be posted in three separate places in the taxing unit fourteen days before the date of hearing. If published, send publisher's proof thereof after second publication. If posted, send copy of notice with affidavit showing that no paper is published in the taxing unit; also date of posting. PLEASE MAIL PROOFS TO THIS OFFICE BEFORE THE DATE OF HEARING.

It is not necessary for anyone to appear at Indianapolis unless notified. You will be given a hearing before an order of denial is entered. If a remonstrance is filed action will be postponed until a hearing can be held in your locality. The Board is hearing these matters only on Mondays and if the date fixed does not give you time to advertise you may change the date to another Monday and notify us at once.

Yours truly,

STATE BOARD OF TAX COMMISSIONERS.

W. C. Harrison
Secretary.

My Commission expires [illegible]

The following preliminary resolution was presented and read:

Preliminary Resolution authorizing the issue of Bonds and other evidences of indebtedness of the Town of Camden City, Indiana, and to order publication of notice to secure the permit from the State Board of Tax Commissioners.

Be it resolved by the Board of Trustees of the Town of Camden City, Wayne County, Indiana, that whereas, the efforts of the Town of Camden City, Indiana, to sell and issue its Bonds of the Municipality authorized by the State Board of Tax Commissioners in 1919 for the sum of $18,000.00 have failed so far,

And Whereas the efforts of said Municipality to secure from the State Board of Tax Commissioners a permit for a temporary loan to care for some emergency indebtedness has resulted in a ruling from the said State Board of Tax Commissioners that the Town in view of such pressing cases, vacate all of said petitions for loans and apply for a new loan to take care of the whole of said indebtedness or so much thereof as should be within the Constitutional limitation prescribed,

And Whereas, a petition signed by more than the requisite number of taxpayers and residents of the said Municipality has been filed asking and petitioning for the return of a loan to care for all of the Municipal indebtedness now outstanding and to issue by the gradual payment of the same over a period of years until all is paid,

Now, therefore, be it resolved by the Board of Trustees of the Town of Camden City, Wayne County, Indiana, that said Municipality and Board of Trustees proceed by the proper and legal steps thereto to issue a loan in the amount of bonds or other evidences of indebtedness in the sum of $18,000.00 Eighteen Thousand Four Hundred Dollars or so much thereof as shall be necessary out of which to pay the outstanding obligations of said Municipality and to [illegible]

by the Town Attorney to carry out the legal provisions of such bond or all matters as remain unsettled and in the petition filed in this matter by the Tax Payers and residents of the said Municipality.

2 Be it further resolved that the matters and proceedings of the said Town of Commerce, City, County and State, and its Board of Trustees in reference to the issue of said bonds passed by the Board of State Tax Commissioners, on the 13th day of November, A. D. 1917, together with the preliminary resolution made and entered on the fourth day of August, A. D. 1917, together with the Ordinance passed in reference to said issue of Bonds made and entered on the Twentieth day of October, A. D. 1917, and all other proceedings in connection therewith, be and the same is by and with the Consent and Approval of the Board of State Tax Commissioners, hereby vacated and revoked.

Cambridge City, Indiana,
February 8th 1921

We agree that the Trunk sewer in Cambridge City Indiana, Constructed under Improvement Resolution Number Six, 1919, of said town, as constructed according to the Plans and Specifications from the Park to the North side of the National Road. The town will appoint one Competent disinterested Civil Engineer and the Contractor one, and they shall select a third and make such investigation of the sewer from the North side of the National Road to the West end of it as they think necessary and proper, and shall report in writing to the town Board and the Contractor whether that part of said sewer has been so Constructed as to be a good, practical sanitary sewer.

If they say it has been so constructed the town trustees will at once accept said entire Trunk sewer, and take such subsequent steps as are required by law, for making the Assessment and Collection of Assessments that may be due said sewer.

If they say it has not been so constructed as to be a good practical sanitary sewer, then they shall state what is necessary to be done under the Plans and Specifications to make it so, and when the Contractor has done what they state as necessary, then the Board will accept said entire Trunk sewer, and take

sufficient sum to collect the assessments for the same and pay for it.
The decision of any two of the three shall be final.
The Contractor insists that he has performed the Contract for said sewers according to the instructions and direction of the Town Engineer and superintendents and reserves all rights he may have in said contract, or any matter connected therewith in the construction of the sewers.

In the matter of the petition of Cambridge City, Wayne County, to appeal to review the action of the

December 23, 1921

Comes now the town of Cambridge City and having heretofore, to-wit, on December 19, 1921 filed its petition to the appraisal of a bond issue of $ [illegible], which said petition was by this board fixed for the [illegible] on account of [illegible] and the town of Cambridge City, Indiana, and the [illegible] day of [illegible] 1921 in accordance with [illegible] passed by the Town Board of Cambridge City, Anticipating the additional bond issue, and [illegible]

[illegible] day [illegible] December, 1921 [illegible]

to the said Town of Canandaigua by that petition as filed as to which all the interested parties were duly notified as required by said Town.

The petition herein asks that the order granted September, 1919 be rescinded and that same be annulled and set aside, that the Board reconsider all the facts and now duly advised now finds that roads now not open should not be and that Order of September, 1919, and this Board now reconsider its said Order of [illegible], 1919, granting the right to issue bonds in the sum of $38,000 and the same is hereby set aside and annulled, and as to the petition of July 6, 1920, the said petition, in view of this application now pending, [illegible] The application now pending and hereinafter set forth for the removal of roads and the consequent indebtedness in the sum of [illegible] and it appearing from the said Town of Canandaigua, and due notice, as required by law, of the pendency of such application by publication in the Canandaigua Messenger and in which notice taxpayers desiring to object were notified to file their objections with the Clerk of this Board prior to the date of such hearing, the date of hearing being the 22nd day of January, 1921 and the Board on the examination of the files finds that no objections or remonstrances having been filed prior to the said hearing as required in said notice and it appearing in fact that the Town authorities of the Town of Canandaigua in bond issues now under consideration and hereinafter hereinafter set forth and finds that a necessity exists for the issuance of bonds for the purposes hereinafter stated in the sum of Thirty-eight Thousand Dollars ($38,000.00) for the purpose of paying and redeeming certain road notes of said Town now being past due, and that bonds be issued in such amount and denomination and time and bearing interest not to exceed six per cent per annum as the Board of Supervisors of the Town of Canandaigua may direct.

It is therefore considered, ordered and decreed that the petition of the Town of Canandaigua [illegible] this Board and [illegible] to the issuance of Thirty-eight Thousand Five Hundred Dollars ($38,500) of bonds and is hereby in all things granted

and authorizing ... time such bonds in such amounts and payable at such time and ... such conditions as the Board of Trustees of the ... of Greencastle, Indiana, may direct, and bearing interest ... not to exceed six per cent per annum.

Street Commissioner:

Mr. Lyon reported that the Main street culvert had been repaired, and is in good condition.

Mr. The Chairman reported that the sewer looked as if it had not been moved lately, and also that the sewer pipe needed repairs or rebuilding. Matter was referred to the Committee on Investigation.

Laws & Ordinances:

Mr. Mr. Hyde, Chairman, reported that a motion must be done to stop bicycle riding on the sidewalks of the town.

Mr. Keller moved that the Board instruct the Clerk to draw an Ordinance prohibiting the riding on the sidewalks. Mr. Mr. Hyde seconded the motion.

Being advised by the Attorney that such an ordinance would be void, the Board instructed the Clerk to draw an ordinance prohibiting the riding of bicycles on the sidewalks of the town, without the consent of the owner, otherwise than in a walk.

Mr. Hayes, President of the Board stated that a number of complaints had been made against the Engineer, for the manner in which he was running the engine, and that it was the desire of the Engineer of

✓ Agreement to that the town be sued for damages that may result against the Marshal for not enforcing the laws.

The Marshal stated that in order to enforce some of the laws it would be necessary for him to have the assistance of one or two deputies at times especially on the occasion of stopping fast automobile drivers.

Mr. Tyler moved that the Marshal be empowered to employ such help as he may deem it necessary, in order to suppress the law violations in Cambridge City. The Board seconded the Motion, which was adopted.

A number of Merchants on Main Street were present to entry Complaint against the bad nuisance created by the Fire Station Company, by not having their doors open their fronts of Main Street, and requested the Board to require to fix the same immediately at their cost.

Mr. Tyler Moved that the Board accept the offer of the C.H.D.F.Co. for the purchase of the present Fire Station and that the Board meet on Friday June 23 at one o'clock P.M. for the purpose of taking up the matter. Motion was seconded by Mr. Mayo. Motion Carried.

Mr. Skelgis moved that A.R. Crocket be notified that the Board will discontinue the use of the fire truck on the expiration of Thirty days from June 19th 1926 thus Notice being in accordance with the provisions of the Contract. Seconded by Mr. Mayo, Motion was adopted.

To the Honorable Board of Trustees of the town of Cambridge City, Indiana.

Gentlemen:-

In accordance with an agreement bearing date of Dec. 18th, 1920, entered into between your honorable body and E. L. Connell, Contractor, relating to an inspection of the Main trunk Sewer of Cambridge City, constructed under Resolution # 3 of 1917. The undersigned were selected as engineers on such inspection, and pursuant to said agreement we beg leave to make the following report:-

Location of Manholes.

(A) is located at Plum Street.
(B) is located at Chestnut Street.
(C) is located at [illegible] Center Street.
(D) is located at [illegible] Street.
(E) is located South of the National Road.
(F) is located at the [illegible] Main Street.
(G) is located at the [illegible] Street.
(H) is located at Elm Street.
(I) is located at Main Street.
(J) is located at the [illegible] Street.
(K) is located at Mulberry Street.

Grade and Alignment.

We find that the grade and alignment of the sewer is substantially different from that shown on the profile.

Joints.

By inspecting the inside of the sewer from Manhole "H" to Manhole "I" we are of the opinion that the joints were properly cemented but the cement has in many places fallen out leaving the joints open and some not filled at all. In other sections and that was the best available evidence of Cement having been used.

This opinion is verified by the section removed near Manhole "E".

Flow Through Sewer.

Arrows at these quantities Kutter's formula was used and the discharge Authorities used herein were Fidler, Powell and Fteley.

At Manhole "H" the sewer has discharge 4.17 Cubic feet per second. It has gradually decreased until at Manhole "I" the discharge was 3.7 Cubic feet per second and was reduced to 1.7 Cubic feet per second at manhole "J".

The flow of the sewer was obstructed at many points by sand and gravel making it impossible to obtain the exact quantities. This sewer is now being used by about 200 people and the sewage was that quantity should not exceed .04833 cubic feet per second. To this should be added one half cubic foot per second as a maximum allowance for seepage. This would give a maximum flow of sewage and seepage flowing through the sewer of 1.055 Cubic feet per second, leaving an excess flow due to seepage of ground water of .2.22 cubic feet per second.

Seepage.

This inspection was made during a dry season and shows an excessive amount of ground water in this main sewer and while time has taken out connections and sewer pipe open joints.

The [illegible] system of [illegible] sanitary sewers is to carry the sewage from the different connections, and discharge to the [illegible] in such a manner that the sewage is presented to the tank in a fresh condition for [illegible] treatment, and with no [illegible] which would disturb the [illegible] of the tank, causing at the least favorable time [illegible] great as velocity.

Any sewer to [illegible] function must be properly constructed, free from obstruction, [illegible] tight joints, and proper lateral connections. This sewer is subject to some criticisms in these respect.

Conclusions.

It is the opinion that there is a departure from the [illegible] which materially detract from its usefulness for the purpose intended.

This departure detracts [illegible] from the [illegible] of the sewer - the [illegible] that should exist in order to [illegible] the sewage is brought to proper condition.

Recommendation.

Doubtless a large amount of the excess sewage is coming into the lateral sewers. While we understand that they are to be replaced, they should be done, even [illegible] be done to make tight joints, which will [illegible] and to reduce the [illegible] in the main sewers. However, this [illegible] is not [illegible] reduced, we would recommend that an accurate test of the sewage be made at such [illegible] as to determine the sections at which these [illegible] waters enter the sewer and if [illegible] found to be in a [illegible] condition to destroy the efficiency of the sewer, we would recommend that the joints be [illegible] at the [illegible] of the sewer, or [illegible] [illegible] [illegible] of [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible]

[illegible] and the [illegible] commodious. We [illegible] however, that in the above [illegible] we [illegible] that these [illegible] will not [illegible] serious inconvenience [illegible].

The sewer [illegible] is thoroughly [illegible] and of the [illegible] stone with [illegible] and [illegible] they should be [illegible] [illegible] the [illegible] the [illegible] the sewer.

We wish to extend our thanks to Mr. [illegible] Cassius Dail for their assistance rendered us in making this inspection.

Respectfully submitted,

Copy of the Report on the Main Trunk Sewer - as submitted to the Board Engineers Seeley and Griffith

To The Honorable Board of Trustees of the town of Cambridge City, Indiana.

Gentlemen:-

In accordance with an agreement bearing date of Feb. 18th, 1921, entered into between the Honorable Body and T. J. Coughlin, Contractor, relating to an inspection of the Main Sewers in Cambridge City, constructed under Resolution #3 of 1919, the undersigned were selected as engineers for such inspection, and pursuant to said agreement we proceed to make the following report:-

Location of Man-holes.

(1) is located at Main Street.
(2) is located at Eggleston Ave.
(3) is located at the intersection of Vine & Main Streets.
(4) is located South of Vine Street.
(5) is located South of the railroad track.
(6) is located at the intersection of Main & Mulberry Streets.
(7) is located at Mulberry Street.
(8) is located at Elm Street.
(9) is located at Ash Street.
(10) is located at Race Street.
(11) is located at Walnut Street.
(12) is located at Chestnut Street.

State Road to Epsom

It is said that the grade and alignment of the sewer is not altogether as desired but the sewer is in the roadway.

Condition

By inspection at the outside of the sewer on the 3 Gables Allotment, one can see that the sewer is constructed of the type of material specified.

There was no visible evidence of sewage leakage.

The manholes provided by the authorities were not found on the route of the sewer.

The two manholes

Arising at this situation, further investigations and the different Authorities were herein were found. Results and figures.

At Manhole "H" the sewer was discharging 4.17 Cubic feet per second. This gradually decreased towards Manhole "I" the discharge was 3.3 Cubic feet per second and was calculated to 1.54 Cubic feet per second at manhole "I".

The flow of the sewer was obstructed in places by sand and gravel making it impossible to obtain the exact quantity.

This sewer is now being used by about 20 people and the sewage under that circumstances should not exceed .0288 Cubic feet per second.

To this should be added one half Cubic foot per second as a maximum allowance for rain water. This would give a maximum quantity of sewage ought ever to emerge through the sewer of 0.5 Cubic feet per second, but only as a result of a heavy fall of rain. Seepage of ground water or subsoil water is nil.

Conclusion

The investigations were made during a dry period and showed an excessive amount of capacity.

This may be due to excessive [illegible] which should be expected in

sewers of the sewer system of the municipal-

ity.

We are of the opinion that there is some objection upon the ground of insufficiency of capacity to the sewers as a strictly sanitary sewer, but we are of the further opinion that this deficiency does not materially detract from its usefulness as a combined sanitary and storm water sewer.

Respectfully submitted,

Ryan Kelley
John J. Griffith

Board of Trustees of Cambridge City, Indiana

Monday, September 19th, 1921, 7;30 P. M.

The matter of the Improvement of Foote Street under Improvement Resolution No. 1 of 1921, was brought up for consideration and further action. It was moved by Mr. DeHays, seconded by which motion was carried by unanimous vote of said Board, Mr. Tyler,/that the President of said Board of Trustees and the Town Clerk of said Town caused notices to be published once each week for two consecutive weeks in the "Cambridge City Tribune", a newspaper of general and weekly circulation, printed and published in said Town of Cambridge City, and a like notice to be published one time in the Indianapolis Star, a newspaper of daily and general circulation, printed and published at the City of Indianapolis, Indiana, the last of which publications shall be made at least one week before the date for receipt of bids hereinafter mentioned, informing the public and contractors of the general nature of the work of said proposed improvement of said Foote Street and of the fact that detail plans, specifications, profiles and drawings therefor are on file in the office of the Clerk of said Town, and calling for sealed proposals for said work and that

the same will be received by said Board or by said Clerk until 7;30 o'clock P.M. on Friday, the14th day of October, 1921, and stating that on said day and at said time, such proposals for such work will be publicly opened and read and will be examined and considered by said Board at the office of said Board in said Town of Cambridge City, which time and place said Board now hereby fixes for the same, and that such notice so to be published shall be in the following words and figures, to-wit:(Here insert)

NOTICE TO CONTRACTORS.

STREET IMPROVEMENT, CAMBRIDGE CITY, INDIANA.

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Trustees or the Clerk, of the town of Cambridge City, Indiana, until the hour of 7;30 o'clock P.M. on Friday, the14th day of October, 1921, for the improvement of Foote Street in said town of Cambridge City, Indiana, from the south line of Front Street, also known as North Front Street, to the North line of Third Street, also known as South Third Street, in said town of Cambridge City, as provided for in Improvement Resolution No. 1, of 1921, adopted by said Board of Trustees on the 20th day of July, 1921. On said day and at said hour all sealed proposals and bids received will be publicly opened and read and will be examined and considered, and said Board of Trustees will proceed without unnecessary delay to designate by preliminary order, the kind of pavement to be used in said improvement. Said Board of Trustees expressly reserves the right to reject any or all bids and to judge of the character and sufficiency of any materials bid upon.

Permission will not be given for the withdrawal, modification or explanation of any bid or proposal, after the same has been filed.

Each proposal shall be endorsed with the title of the work, the name of the bidder and the date of it's presentation. All bids shall be filed with the Clerk of said Town of Cambridge City on or before the day and hour mentioned above, and no proposal or bid presented after this time will be accepted.

No bid will be accepted from, or contract awarded to any person, firm or corporation that is in arrears to said Town of Cambridge City, upon any debt or contract, or who has failed to execute in whole or in part in a satisfactory manner, any contract with said town, or who is a defaulter as to surety or otherwise upon any obligation to said Town.

All bids filed by those to whom contracts may be awarded must be made upon the printed blanks provided therefor, which can be

obtained from the clerk of said Town, and the price must be stated both in words and figures.

Each bidder is required to name in his proposal the following:

A price per lineal foot for the combined curb and gutter.
A price per lineal foot for all drains.
A price per square yard for the particular kind or kinds of pavement bid upon, which price shall be for the pavement complete, including excavation, fill ing, grading and foundation.

Each bidder is requir d to deposit with his bid, a certified check for an amount not less than two and one-half per cent (2½%) of the Engineer's estimate of the cost of such work bid upon, but in no case shall any such check be for less than the sum of $100.00, said check to be certified by a reputable bank doing business in the State of Indiana. In case the bid be not accepted, the check deposited therewith will be returned to the bidder, but if the bid is accepted, and the bidder shall refuse or neglect to enter into a contract with said Town of Cambridge City for the work for which said bid is accepted, within ten days from the time such bidder shall have b en notified of the acceptance of such bid, said check will be forfeited to said Town of Cambridge City as ascertained and liquidated damages for such failure, so to do.

Bidders submitting proposals shall demonstrate to the satisfaction of said Board that they have proper facilities, experience and proper workmen to execute the contract in a proper manner, otherwise their bids will not be considered.

In case the specifications permit the use of either or any one of two or more materials, the bidder must state specifically on which his bid is based.

The cost of such improvement over and above the amount of the assessment as fixed in the final assessment roll, the cost of paving str ets and alley intersections including one-half of the width of the street or alley and streets or alleys which run into but do not cross said street so to be improved, and that proportion of said street abutting upon property belonging to said town, or property not liable for assessment, shall be paid by said Town from a fund to be raised by special assessments against all of the land and lots situated in said Town, payable at the time of payment of general taxes, and in anticipation of the collection of such special assessments, certificates of denominations not exceeding $500.00 shall be issued under resolution adopted by said board and delivered to the contractor in payment of such part of the cost of such improvement, such certificates to bear

interest at the rate of six percent per annum, all as authorized by law. No part of the cost of said improvement shall be paid from the general fund of said town.

The estimated costs of such work are as follows:

Concrete pavement,	$13170.00
Brick pavement on sand cushion,	21660.00
Sheet asphalt on concrete base,	31470.00
Wood block pavement on sand cushion,	25725.00
Curb,	971.50
Drains, 12" vitrified pipe,	100.00

Such bids will be received for said improving of said street according to the several sets of specifications, plans and profiles therefor, which are on file in the office of the Clerk of said Town and bidders are expected and required to examine the same before submitting their bids. Bidders must satisfy themselves by examination of the location the proposed work and by such other means as they may chose, as to the accuracy of the estimates of the work to be done, and shall not at any time after the opening of bids dispute or complain of the statement or estimate of the Town Engineer, nor assert that there was any misunderstanding as to the nature or amount of work to be done. The estimates of the amount of work are believed to be correct, but said Town will not be responsible for any errors in the same or for any errors or inaccuracies in the plans, profiles or specifications. All work done in the making of said described public improvement shall be in accordance with the terms and conditions of said Improvement Resolution, as confirmed by said Board, and the detail plans, profiles, drawings and specification for the same.

Assessements of property owners on account of said improvement, if deferred, are to be paid in ten equal annual installments, with interest at the rate of six per-cent per annum and a bond of bonds will be issued to the contractor in the aggregate amount of such deferred assessements, in payment of such part of the cost of said improvement, such bond or bonds to bear six per cent. interest; and the amount of such assessments which are paid in cash will be paid to the contractor in cash.

Board of Trustees of the Town of Cambridge City, Indiana, October 6th A.D. Thursday

This being the day and meeting fixed by the Board of Trustees of the Town of Cambridge, City, Indiana, for considering and determining the question as to whether the lots and tracts of land described and assessed in the primary assessment roll heretofore prepared and filed by said Board in the matter of the construction of the Sixth Ward Sewer constructed by T. J. Cornell, Contractor, under Improvement Resolution No. 3 of 1917, and the contract therefor executed pursuant to said Improvement Resolution, have been benefited in the amounts named on said primary assessment roll or in a greater or less sum than named on said roll, and for hearing any property owner interested in the assessment for the construction of said sewer, this meeting being held pursuant to and in accordance with the several continuances and adjournments made and taken by said Board in said proceeding, the said Board now meets for the purpose of hearing all persons interested in said assessments and for considering and determining said question. And the Board having heard all interested persons who appeared and having considered all remonstrances filed or made in said proceeding, now finds that the several lots, parcels and tracts of land primarily assessed in and by said primary assessment roll heretofore completed, as amended and filed by said Board are specially benefited in the amounts, respectively, assessed against them in and by said primary assessment roll, except as follows:

That the assessments on the following mentioned and described lots and tracts of land should be reduced from the amount as primarily assessed to the amounts, respectively, set forth as follows, in which amounts as set forth respectively as follows the Board now assesses the same, the Board now finding that the same are specially benefitted in said amounts respectively set forth as follows, to-wit:

A.F. Horan. Member absent at roll call.
A.F. Horan came in later.

On motion duly seconded and carried Mr. Jones was selected Chairman Pro-tem.

This being the day and hour fixed by the Board of Trustees of the City of Connellsville for the purpose of receiving bids and for opening and considering the same and for the letting of the contract for the improvement of Fourth Street in the City of Connellsville, Indiana, from the south line of Pittsburgh Street to the north line of Third Street by macadamizing the same and the Board of Trustees on the 20th day of July 1923, said Board of Trustees ordered that on this the 1st day of October, 1923 at the hour of 7:30 o'clock P.M. the same being the day and hour fixed for the same, to receive, return, openly read, and examine and consider such sealed proposals and bids made and filed for said improvement, return proof of receipt of sealed proposals and to be kept duly sealed by the Clerk and thereupon the Common Council of the City of Connellsville, Indiana, to award the contract for the said improvement to the lowest and best bidder duly qualified according to law, or to reject all bids and readvertise for bids in the manner provided by law, which notice and the proof of publication thereof is on file in the office of the Clerk and Engineer to wit:

Notice to Contractors

street Improvement, Cambridge City, Indiana.

Notice is hereby given that sealed proposals will be received by the Board of Trustees of the Town of Cambridge City, Indiana, until the hour of ... o'clock ... M., on the ... day, the 11th day of ... 1921, for the improvement of Eaton street, in the Town of Cambridge City, Indiana, from the south line of Front street, also known as South Front street, to the north line of Depot street, also known as South United States road, said town of Cambridge City, as provided for in Improvement Resolution No. [illegible], adopted by said Board of Trustees on the 20th day of July, 1921, the said proposals to be opened and considered at said hour all sealed proposals received, and said Board of Trustees will proceed without unnecessary delay to designate by preliminary order, the kind of pavement to be used in said improvement. The said Board of Trustees expressly reserves the right to reject any or all bids and to waive any informalities in bids or advertisement.

Permission will not be given for the withdrawal, modification or explanation of any bid or proposal, after the same has been filed.

Each proposal shall be endorsed with the title of the work, the name of the bidder and the date of its presentation. All bids shall be filed with the clerk of said town of Cambridge City on or before the day and hour aforementioned above, and no proposal or bid presented after this time will be accepted.

No bid will be accepted from, or contract awarded to any person, firm or corporation that is in arrears to said town or Cambridge City, upon any debt or contract, or who has failed to execute to whole or in part in a satisfactory manner, any contract with said town, or who is a defaulter as to surety or otherwise upon any obligation to said town.

All bids filed by those to whom contracts may be awarded must be made upon the printed blanks provided therefor, which can be obtained from the clerk of said town and the price must be stated both in words and figures.

Each bidder is required to name in his proposal the following:

A price per lineal foot for the combined curb and gutter.

A price per lineal foot for all drains.

A price per square yard for the particular kind or kinds of pavement bid upon, which price shall be for the pavement complete, including excavation, filling, grading and foundation.

Each bidder is required to deposit with his bid, a certified check for an amount not less than two and one-half *per cent* (2½ per cent) of the engineer's estimate of the cost of such work bid upon, but in no case shall any such check be for less than the sum of $500, said check to be certified by a reputable bank doing business in the State of Indiana. In case the bid be not accepted, the check deposited therewith will be returned to the bidder, but if the bid is accepted, and the bidder shall refuse or neglect to enter into a contract with said town of Cambridge City for the work for which said bid is accepted, within ten days from the time such bidder shall have been notified of the acceptance of such bid, said check will be forfeited to said town of Cambridge City as ascertained and liquidated damages for such failure, so to do.

Bidders submitting proposals shall demonstrate to the satisfaction of said Board that they have proper facilities, experience and proper workmen to execute the contract in a proper manner, otherwise their bids will not be considered.

In case the specifications permit the use of either or any one of two or more materials, the bidder must state specifically on which his bid is based.

The cost of such improvement over and above the amount of the assessment as fixed in the final assessment roll, the cost of paving streets and alley intersections, including one-half of the width of the street opposite streets or alleys which run into but do not cross said street so to be improved, and that proportion of said street abutting upon property belonging to said town, or property not liable for assessment, shall be paid by said town from a fund to be raised by special assessments against all of the land and lots situated in said town, payable at the time of payment of general taxes, and in anticipation of the collection of such special assessments, certificates of indebtedness not exceeding $60,000 shall be issued under resolution adopted by said Board and delivered to the contractor in payment of such part of the cost of such improvement. Such certificates to bear interest at the rate of six per cent per annum, as is authorized by law. No part of the cost of said improvement shall be paid from the general fund of said town.

The estimated costs of such work are as follows:

Concrete pavement	$16,170.10
Brick pavement on sand cushion	21,000.00
Street asphalt on concrete base	41,000.00
Wood block pavement on sand cushion	39,750.00
Curb	3,750.00
8 inch 12 lb. vitrified pipe	1,500.00

Sealed bids will be received for said improvement of said street according to the several sets of specifications, plans and profiles therefor, which are on file in the office of the clerk of said town, and bidders are expected and required to examine the same before submitting their bids. Bidders must satisfy themselves by examination of the location, the proposed work, and by such other means as they may choose, as to the accuracy of the estimate of the work to be done, and shall not at any time after the opening of bids dispute or complain of the statement of estimate of the town engineer, nor assert that there was any misunderstanding as to the nature or amount of work to be done. The estimates of the amount of work are believed to be correct, but said town will not be responsible for any errors in the same, or for any conclusions drawn therefrom, by bidders or contractors. All work done in the making of said proposed improvement shall be in accordance with the terms and conditions of said improvement resolution, as continued by said board, and the detailed plans, profiles, drawings and specifications for the same.

Any resident property owners on said line of said improvement, if deferred, will have paid in two annual installments with interest at the rate of six per cent per annum, and a bond or bonds will be issued by the town for in the aggregate amount of such deferred assessments in payment of such part of the cost of said improvement, such bond or bonds to bear six per cent interest, and the amount of such assessments which are paid in cash, will be paid by the contractor in cash.

Improvement Contract.

This Contract and Agreement, made and entered into this 17th day of October, 1921, by and between C. W. Kirkpatrick of Greenfield, Indiana, hereinafter called First Party, and the Town of Cambridge City, Indiana, by and through its Board of Trustees, hereinafter called Second Party, under and by virtue of an Act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations" approved March 6th, 1905, and all amendatory and supplemental Acts thereto, Witnesseth:

That said First Party covenants and agrees to do and perform all work and labor and furnish all materials necessary to the improvement and completion of that part of Foote Street in said Town of Cambridge City, Indiana, ordered improved by grading the same with concrete and cement curbing, gutters and gutter crossings, and pursuant to Improvement Resolution No. 61 of 1921, adopted by said Board of Trustees on the 20th day of July, 1921, said part of said street to be improved extending from the South line of Main Street, also known as North Front Street, to the North line of Third Street, also known as South Eagle Street, in said Town of Cambridge City, all in accordance with the Plans, Drawings, Specifications and Estimates for the same, for the total contract price and sum of Two and 75/100 Dollars ($2.75) per square yard of concrete curbing including all necessary tile drains shown on Plans, and One Dollar ($1.00) per linear foot for cement curbing and gutter.

That said First Party hereby expressly Agrees to perform all work and furnish all Materials for the prosecution of the above described improvement according to the true and real conditions of said Improvement Resolution No. 1 of 1921, adopted by said Board of

Trustees on said 20th day of July 1871, and according to the plans, specifications and descriptions for the same, heretofore approved by the Officers of said Board of Trustees of said town of Cambridge City, Indiana, and said First Party hereby agrees to complete said improvement to the entire satisfaction of said Board of Trustees, which said excavations, grades, and slopes are made in accordance with said contract in a workmanlike and effectual manner at and for the

And said party of the first part hereby contracts and agrees that on the prosecution of said work all gutters shall be laid and made in accordance with said First Party to be properly and fully guarded and protected with sufficient lights, barriers, and other precautions to prevent injury to any person, persons or persons upon said work, and during the time of the making of such improvements and the grades upon the same as to be maintained and kept in repair by said First Party the said Second Party shall not be liable for any and all liability, obligations of joining and for injuring by damage to any property or person resulting from the prosecution of the work by said First Party, the said Second Party shall be exempt from, or the execution of this contract. Any profits connected therewith are agreed thereto, and said First Party hereby agrees to pay any judgment, with costs, which may be obtained against said Second Party, growing out of such injury or damages.

It is further understood and agreed that the said Second Party shall be entitled to said First Party for the contract price of such improvements as may be executed by them in accordance with the plans, specifications, only to the extent of the bonds issued received by Second Party for such improvements, and bonds which is issued on account of such improvements and for no more.

said Second Party contracts and agrees that if any of the property hereinbefore assessed for said improvement fail to pay said assessments in ten equal annual installments, as provided by law, it will make and issue to said First Party improvement bonds covering such delinquent assessments, the same bearing interest at the rate of six per cent per annum, payable annually on the first day of the month of said unpaid assessments.

Said work shall be completed according to the terms of this contract on or before the first day of December, 1911 unless said time be extended in writing by said Second Party.

If said First Party fails or neglects to commence said work within said time or fails or neglects to prosecute said work with such diligence as, in the opinion of said Second Party, will enable First Party to complete the same within the time aforesaid, then and in such event said Second Party shall have the right to declare this contract null and void, but to enforce that the same have been abandoned and forfeited, and in such case said Second Party may re-let said work or, at the option of said Second Party may require the sureties on the bond of First Party to complete the same, as said Second Party shall elect. And said First Party and said sureties shall be liable for all damages that may accrue by reason of such failure or neglect to prosecute said work according to the contract. And in no event shall said First Party shall be entitled to receive nothing from said Second Party as from the Property assessed to be assessed on said improvement for any work performed or Materials used, and all such materials used and work done shall in such case be claimed by and belong to said Second Party.

Said First Party further contracts and agrees to pay any and all monies due to any

contractor, Lessee or persons furnishing any material [illegible] labor employed by said First Party or by [illegible] for any work done in the prosecution of [illegible]

It is hereby expressly understood and agreed that no assignment of this contract shall be [illegible] to any Lessee, grantee or corporation, without the written consent of Second Party being first had and obtained.

It is further understood and agreed that said Second Party shall not be liable to said First Party or assignee for any delay or loss in the payment of assessments or interest thereon by the [illegible] owners who fail or refuse to pay any such assessment or interest thereon, or refuse to sign a waiver electing to pay the same in installments as provided by law, or for Attorneys fees, and that, although in the event of such assignments, the obligations in the name of Second Party, Second Party shall not be liable or be held liable in any part of the cost or expense of such suit, or to pay or privilege to recover the amount so claimed. Therein alleged to be due.

And First Party hereby consents that said Second Party shall retain, in statement or statements issued on account of said improvement bonds issued on account of said improvement, a sum equal to twelve cents for [illegible] for which sum Second Party shall and undertake to [illegible] [illegible] of [illegible] by said First Party to the interpretation of said Second Party [illegible] of [illegible] and the same [illegible] and said Second Party [illegible] of said [illegible] First Party [illegible] and to said [illegible]

will be in full force and operation at the end of said period of one year, decadents, encumbrances and conditions (unless the same not due to the fault of First Party, his servants and agents) excepted, and that in the event of the failure or refusal of said First Party to keep in repair the same during said period then said Second Party may use said fund so retained for such purpose.

In event there be no improvement bonds issued on account of said improvement in a sufficient amount to make the amount hereby provided for, said Second Party shall have the right to return money received from assessments and no more to the amount of any balance held to provide said guarantee fund.

In the event the cost of such repairs exceeds the amount of said guarantee fund retained by Second Party as hereinbefore provided, said First Party shall be held responsible to Second Party for the amount of such excess.

It is further understood and agreed that said First Party shall give to residents of said town preference in employment of all labor necessary in the performance of this contract.

It is further understood and agreed that said First Party shall at all times during the progress of said work, keep all necessary and proper appliances to protect from fire and conflagration which might be liable to occur during any of such times, both of said First Party's own contract and agents, and of the employment to work the streets assessed by the State of [illegible] and all other municipal and governmental authorities and said First Party shall keep all necessary insurance to protect himself and said Second Party from the payment of any damages for the injury to any third person, including both damages for injury to property and

[illegible] and construction of said Sewage System and the appurtenances thereof by First Party as herein provided.

To each of the conditions and stipulations of this contract the undersigned, First Party, hereby, for itself, its successors, heirs and assigns, and Second Party for itself and themselves jointly by these presents:

In Witness Whereof, said parties have caused this Contract to be executed in and by their proper names by said Board of Trustees, attested by the Clerk thereof, and said Party of the Second part to these presents has hereto affixed his signature, this day and date aforesaid, as follows:

This being the day and hour set for the hearing of all persons interested in or whose property is affected by the proposed improvement provided for in Improvement Resolution No. 2 of 1921, adopted by the Board of Trustees of said town of Cambridge City, Indiana, on the 7th day of November, 1921, for the construction of a cement sidewalk on the east side of Center Street from Church Street South six hundred thirty-seven feet, the Board now meets to hear all such persons interested in or whose property is liable to be assessed for said improvement and to decide whether the benefits to the property liable to be assessed for such improvement will equal the estimated cost thereof, which meeting is held pursuant to the notice thereof given in the Cambridge City Tribune by the previous order of said Board, and which meeting is held at the hour of eight o'clock P. M. on this 28th day of November, 1921, at the office of said Board of Trustees, the same being the time and place fixed for said meeting by said previous order of said Board and as provided in said notice thereof, said notice and the proof of the publication [illegible] are in the following words and figures, towit: [illegible]

Notice of [illegible]
Declaration Resolution No. 2 of 1921.
[illegible]
President Board of Town Trustees
A. F. HIRLAN.
H. E. SHARAH, Town Clerk.
Adopted November 7, 1921.
[illegible]

After fully considering the matter of said proposed improvement and being fully advised in the premises, no persons interested in said improvement or liable to be assessed for the same appearing to remonstrate or be heard in connection therewith, the Board is of the opinion and now decide that the benefits which will accrue to the property liable to be assessed for said improvement as hereinafter described are equal to the estimated cost thereof as reported by the town engineer.

Thereupon Mr. Hirlin offered the following resolution and moved the adoption thereof, seconded by Mr. DeHaas, and the same was unanimously adopted by said Board and so declared by the President pro tem, said resolution being in the following words and figures, to-wit:

"Be It Resolved by the Board of Trustees of the town of Cambridge City, Indiana, that the Declaratory Resolution No. [illegible] of 1921 adopted by said Board on the 7th day of November, 1921, for the improvement of Center Street by the construction of a cement or concrete sidewalk on the east side thereof from Church Street south six hundred thirty-seven feet, in said town of Cambridge City, Indiana, [illegible] be and the same is hereby amended and modified to provide that said improvement shall extend only from said Church Street south along the east side of said Center Street a distance of four hundred fifty feet, more or less to the north line of the first alley south of Second Street, instead of said distance of six hundred thirty-seven feet as provided in said Declaratory Resolution; and that said Declaratory Resolution be and the same is hereby further amended to provide that the costs of said improvement, including street and alley intersections, shall be assessed upon the real estate abutting upon said improvement and that the assessments therefor, if deferred, are to be paid in ten equal annual installments, with interest at the rate of six per cent per annum, and that a bond or bonds shall be issued to the contractor in payment for such assessments which may be so deferred, and that under no circumstances shall said town of

Cambridge City be or be held responsible for any sum or sums due from said property owner or owners for said work or for the collection of assessments or for the payment of any bond, bonds, certificate or certificates issued to the contractor in payment for such work, except such moneys as shall have been actually received by said town from the assessments for such improvement or such moneys as said town is required to pay by law.

Be It Further Resolved that said Declaratory Resolution for the making of said improvement be and the same is hereby confirmed as herein amended and modified, and that it is now finally ordered by said Board of Trustees that said improvement be made as in said Declaratory Resolution, as herein amended and modified, provided.

Be It Further Resolved that the Treasurer of said Board of Trustees and the Clerk of said town cause notices to be published once each week for two consecutive weeks in the Cambridge City Tribune, a newspaper of general and weekly circulation printed and published in said town of Cambridge City, informing the public and contractors of the general nature of the work of said improvement and calling for sealed proposals for the same and that such sealed proposals will be received by said Board by said Clerk until 7:30 o'clock P. M. on Thursday the 15th day of December, 1921, and at that time on said day at said office sealed proposals will be publicly opened in the office of said Board of Trustees in said town of Cambridge City for the work and there be examined and considered by said Board, and that such notice so to be published shall be in the following words and figures, to-wit:

The following Ordinance was presented and read

Ordinance For Bond Issue.
District Sewer Improvement, No 3. of

Whereas, heretofore on the 19th. day of November, 1917 the Board of Trustees of the Town of Crawfordsville County Indiana, passed a preliminary and

declaration resolution for the construction of a district sewer adopted for local use and also for receiving sewage from Collateral Sewer, the same commencing and terminating and following the course described as follows, to-wit:

Beginning in the alley next south of South Second Street in the town of Gas City, Indiana, at a point about 12 feet south of the south east corner of Lot No. 12 in Block 29, West of the River and South of the National Road in said town, running thence westwardly in said alley to East Center Street; thence Northwestwardly along the east side of the Canal to the alley between the National Road and Front Street; thence Westwardly in said alley crossing the Creek to the Middle of Mulberry Street;

And whereas, thereafter and notice being given and after the filing of the Engineer's estimate of the total cost of the construction of said Sewer, the said Board of Trustees approved and confirmed said Declaratory Resolution, and subsequently pursuant to notice duly given proof was received by said Board on the 2nd day of January, 19[illegible] and on the 4th day of March, 1918, a Contract was awarded to Timothy J. Connell, contractor, for the making of said Improvement; and

Whereas, on the 5th day of October, 1921, after notice duly given by said Board of the adoption of a Primary Assessment roll in the matter of said Improvement and of the date of hearing remonstrances against the Amount assessed against each piece of property described therein, the said Board at said time considered and passed upon all things said Assessment roll and found that the several lots and parcels of land benefited by said sewer within the sewer district specially assessed in said Assessment roll were benefited in the Amounts, respectively, assessed against them in said Assessment roll, and said Board at said time allowed a final estimate in the Amount of Four Thousand Dollars ($4000.00) in favor of the [illegible] lawfully entitled to the same for the Construction of said Improvement, it being therein provided that no moneys raised by assessments

should be paid over or delivered to any person and that no warrants issued on account of said improvements should be delivered to any person until the certain injunction suit entitled "Southern Surety Company Vs. Town of Cambridge City et al" and now pending in the ~~Court~~ Wayne Circuit Court, in which suit, or prior determination of the total assessment in the construction of said improvement amounting to the sum of Fourteen Thousand Seven Hundred Dollars ($14,700.00) - And

Whereas, upon notice duly given as required by law waivers have been signed and filed with said Board by property owners named in said assessment roll whose property abuts on the line of said sewer or is within said sewer district or benefited by said improvement, the total amount of such waivers being $3583.32.

Therefore, Be It Ordained by the Board of Trustees of said town of Cambridge City, Indiana, that it is found necessary by said Board of Trustees to provide funds from and out of which to make payment on said improvement to the person lawfully entitled to the same for the money owing for the making of said improvement, to the aggregate amount of the assessments therefor against property owners named in said assessment roll who have filed waivers with said Board, to wit; to the amount of $3583.32.

Be It Further Ordained by said Board of Trustees that in order to provide said sum found necessary for the payment upon the construction of said improvement of the amount of said waived assessments in said sum of $3583.32; the said Town of Cambridge City, Indiana, issue bonds of the denomination of $500 each, in a series numbered consecutively commencing with one, inclusive, one bond to a series, and for the aggregate amount of said sum of $3583.32. All of said bonds bearing date of June 1st, 1924, and bearing interest at the rate of six per cent per annum from the 15th day of October, 1924, being the date of the allowance of said final estimate, said interest being represented by coupons attached to said bonds and being payable semi-annually on the 1st days of June and December of each and every year succeeding on the 1st day of June, 1924, until all of said bonds are paid. The

series numbered one of said bonds maturing and being payable on said 1st day of June, 1922, and the remainder of said series of bonds maturing and being payable on series each year on the 1st day of June of each and every year thereafter consecutively until and including June 1st, 1931, and all of said bonds being payable at Wayne Trust Company, Cambridge City, Indiana, out of the fund and provided for by assessments made against real estate benefited by said improvement to be levied, and lien of the State of Indiana, under and by virtue of an Act of the General Assembly of the State of Indiana, entitled "An Act concerning Municipal Corporations" approved March 6th, 1905, and all amendatory and supplemental acts thereto, and pursuant to said Instrument Resolution No. of 1917, Adopted by said Board of Trustees of said Town of Cambridge City, Indiana, on the 19th day of November, 1917, and the Contract on said improvement made thereunder on the 4th day of March, 1918, and the said assessment on such improvement approved by said Board of Trustees on the 11th day of October, 1921, said bonds to be negotiable as inland bills of exchange and with principal and interest to be payable out of funds actually paid to and collected by said Town on account of said improvement for which the said bonds are issued.

Be It Further Ordained that the said bonds and the interest coupons thereto attached be of the following tenor, to-wit:

$356.33 United States of America, Series No. Bond No.
Town of Cambridge City
State of Indiana, County of Wayne
Public Improvement Bond.

Report on Sewer.

To the Town Council of Cumb. City - Ind.

I, John Ehring, pointed by you as inspector of relaying certain sewer pipe in alley north of Main Street and east of Canal, and also to inspect all latteral sewers in all parts of Cambridge City hereby submit my report.

The line in first alley north of Main and from the Canal east to Chestnut Street was taken up as much as needed, and re-laid and all joints properly cemented. The first one or two lengths were not tight water flowed through it properly.

I made a careful examination of all of the lateral sewer lines

turned water into the furtherest manhole in each line and found that the water flowed freely in all of them into the main sewer and in the right direction, as planned in the original plans, as adopted.

It is my opinion that all of the lines of sewer that I examined are in good serviceable condition

Signed
John Ehring

Notice to the Public.

The Board of Trustees of the town of Cambridge City, Indiana, request that the citizens use the last week in May as Cleanup Week.
W. D. Judkins, President, Pro tem.
C. W. Jacobs, Clerk.

At the Office of the
Board of Trustees of the
Town of Cambridge City,
Indiana, Monday, May 1st, 1922.

The town engineer, Howard Horton, and the inspector, John Gehring, report the completion of the contract of T. J. Connell, contractor, under improvement resolution number 4, 1917, adopted by the Board of Trustees of the Town of Cambridge City, Indiana, on the 10th day of November, 1917, for the construction of the following local sewers intended and adopted for local use by the property holders whose property abuts thereon, the same being more particularly hereinafter described, and numbered from one to ten inclusive; and the final estimate of the engineer of the cost of the same in the sum of $ 12,623.70 is also filed.

Now, upon motion of Mr. Whipple, seconded by Mr. Damer, the Board accepts the whole of said improvement so made under said contract, and said final estimate is approved and adopted by the Boerd and a primary assessment roll, for the respective lateral sewers, showing thereon the names of the property owners and descriptions of property abuting upon said respective improvements and to be assessed therefor, is ordered prepared by the town engineer.

And now said Board, upon said primary assessment being presented, on motion of Mr. Michels, seconded by Mr. Dora, by a unanimous vote, approves said several assessment rolls, in the matter of said improvement so made under said improvement resolution and contract, and the same are now placed on file. Said primary assessment rolls, as to each of said lateral sewers ~~as heretofore described~~, being in the following words and figures, to-wit:

(Here Insert)

Thereupon it is moved by Mr. Damer and seconded by Mr. Dora, that the president of said Board and the Clerk of the Town be and they are hereby ordered by the Board to give notice in the Cambridge City Tribune, a newspaper of general circulation printed and published and having general circulation in said Town of Cambridge City, by publication once each week for two consecutive weeks that said Board on the 1st day of May, 1922, approved said primary assessment rolls for said lateral sewers, and improvement, showing the prima facia assessments for the same and notifying all persons interested in or effected by said public improvement that said Board has fixed Monday, May 22, 1922, 1922, at 7:30 O'clock p.m. as the date and time when remonstrances will be received and heard against the amount assessed against each piece of property described in said assessment rolls; said notice to described the general character of said improvement and to state that said assessment rolls are on file and can be seen at the office of the said Board of Trustees; and said notice shall state that said Board, at said time, will hear and determine the question as to whether such lots and parcels of land have been or will be specially benefited by said improvement in the amounts stated and set forth in said assessment rolls and that said Board will, at said time, either confirm such preliminary or primary assessments against any or all lots or tracts described therein or will increase or reduce such assessments according to the finding of said Board as to the special benefits received on account of such improvement, and said notice to be in all respects as by law required.

All the foregoing action is determined by the unanimous vote and consent of all of the members of said Board present.

Moved by Mr. Whipple that requisition No. 3 by the Clerk be allowed. seconded by Mrs. Dora & carried all present voting Aye.

Fire & Fire. Mr. Judkins requested as to what should be done with Mrs. Counthwaite Electric Bill for account of a short circuit. Motion that it should be left to Electric Lt. Committee by Mr. Whipple & seconded by Mrs. Dora & carried all members present voting Aye.

Mr. Judkins reported that there was plenty of coal at plant. & that four cars had come in May 1st from the Three States Coal Co. that the R.R. had Confiscated one car. but another was sent in place at same price.

Mr. Kendall presented to the Board, Ten dollars for the use of Hose Truck. Which was given the Fire Dept. by Mt. Auburn Corp. for services rendered during the month of April. The clerk was instructed to put same in Sinking Fund.

There being no further business Mr Dora moved that the Board adjourn & seconded by Mrs Whipple. & Carried all present voting Aye.

At the office of the Board
of Trustees of the town of
Cambridge City, Indiana.
Monday, July 17th, 1922.

The Town Engineer and Inspector report the completion of the contract of T. J. Connell, Contractor, under Improvement Resolution No. 4, 1917, adopted by the Board of trustees of the town of Cambridge City, Indiana, on the 19th day of November, 1917, as to local sewer No. 5, action upon which has heretofore been continued by said Board and which local sewer together with other local sewers set out and described in said Improvement Resolution being intended and adapted for local use by the property holders whose property abuts thereon, the same being more particularly hereinafter described; and the final estimate of the Engineer of the cost of the same in the amount heretofore determined having been filed.

Now, upon motion of Mr. _____, seconded by Mr. _____, the Board accepts said local sewer No. 5 and a primary assessment roll, for said lateral sewer, showing thereon the names of the property owners and descriptions of property abutting upon said improvement and to be assessed therefor, is ordered prepared by the Town Engineer.

And now said Board, upon said primary assessment roll being presented on motion of Mr. _____, seconded by Mr. _____, by a unanimous vote, approved said assessment roll in the matter of said improvement so made under said Improvement Resolution and contract, and the same is now placed on file, and being in the following words and figures, to-wit: (Here Insert)

Thereupon it is moved by Mr. _____ and seconded by Mr. _____ that the President of said Board and the Clerk of the town be and they are hereby ordered by the Board to give notice in the Cambridge City Tribune, a newspaper of general circulation printed and published and having general circulation in said town of Cambridge City, by publication once each week for two consecutive weeks, that said Board on this day approved said primary assessment roll for said lateral sewer and improvement, showing the prima facia assessments for the same and notifying all persons interested in or affected by said public improvement that said Board has fixed Monday, August 7th, 1922, at 7:00 o'clock P.M. as the date and time when remonstrances will be received and heard against the amount assessed against each piece of property described in said assessment roll; said notice to describe the general character of improvement and to state that said assessment roll is on file and can be seen at the office of the said Board; that said notice shall state that said Board at said time will hear and determine the question as to whether said lots and parcels of land have been or will be specially benefited by said improvement in the amounts stated and set forth in said assessment roll and that said Board will, at said time, either confirm such preliminary or primary assessments against any or all lots or tracts described therein or will increase or reduce such assessments according to the finding of said Board as to the special benefits received on account of such improvement, and said notice to be in all respect as by law required.

And upon motion of Mr. _____ and seconded by Mr. _____, all further action on the other local sewers embraced in said resolution and contract

is continued until the meeting of the Board on August 7th, 1922.

All the foregoing action is determined by the unanimous vote and consent of all the members of said Board present.

Motion that the primary assessment roll, and reports for said improvement be accepted. Moved by Mrs. Whipple seconded by Mr. Lawrence, and carried all present voting "Aye".

Notice Of Completeion Of Assessment Roll.

Cambridge City, Indiana
July 17th, 1922

To Whom it may concern:

Notice is hereby given by the Board of Trustees of the town of Cambridge City, Indiana, that on the 17th day of July, 1922, said Board approved and confirmed the assessment roll showing the primafacia assessment for the following described public improvement, the petition for which was filed with said Board by the Improvement Resolution number, Improvement Resolution No. 4, 1917, for the construction of the following local sewer, designated as No. 5 Sewer, together with other local sewers, as intended and adopted for local improvement for the benefit of lots and parcels of land whose property abuts thereon.

No 5. Beginning at the point in East Cunde Street, at the main Mean Sewer, where the middle line of the first alley south of the

National Road if continued would intersect said main trunk sewer and about 127½ feet south of the south line of said main Street, and running thence eastwardly in said alley to a point at or near the east line of Chestnut Street.

Persons interested in or affected by said public improvement are hereby notified that the Board of Trustees of said town has fixed Monday August 7th, 1922, at 7:30 O'clock P.M. at the office of the said Board of Trustees in the said Town of Cambridge City, Ind., as the date, time and place at which said Board will receive and hear remonstrances against the amount assessed against each of said lots and parcels of land described on said roll and will hear and determine the question as to whether such lots and parcels of land have been or will be specially benefited by said improvement in the amounts stated and set forth in said roll, or in a greater or less sum than that named on said roll. That said assessment roll with the names of the owners and description of the property to be assessed with the amount of the benefits or damages assessed against each lot and parcel of land abutting on such sewer is on file and can be seen at the office of said Board.

Given pursuant to the order of the Board.

Council Chamber, Board of Trustees,
of the Town of Cambridge City, Indiana,
Monday, August 7th, 1922.

This being the day and the meeting fixed by the Board of Trustees of the Town of Cambridge City, Indiana, for the hearing of property owners and all persons interested in the assessments for the construction of lateral Sewer No. 5, intended and adopted for local use by the property owners whose property abuts thereon under Improvement Resolution No. 4 of 1917, adopted by the Board of Trustees of the said Town of Cambridge City, Indiana, on the 19th day of November, 1917, the said board now meets to hear remonstrances against the assessments as fixed in the primary assessment roll on account of said improvement, which said assessment roll was approved by the said Board on the 17th day of July, 1922, and to hear all persons interested in or affected by said improvement and the assessments therefor, and to determine the question as to whether the lots or tracts of land assessed have been or will be benefited in the amounts named on said primary assessment roll or in a greater or less sum than named in said roll; which said meeting is held pursuant to and in accordance with notice duly and legally given as required by law.

And the Board having heard all interested persons who appeared and having considered all objections and remonstrances made in said proceeding, now finds that the several lots, parcels and tracts of land primarily assessed in and by said primary assessment roll heretofore completed, adopted and filed by said Board are specially benefitted in the amount, respectively, assessed against them in and by said primary assessment roll.

And said Board having heretofore, on the 29 day of July, 1922, that having been the day and the meeting fixed by the Board of Trustees of the said Town for the hearing of property owners and all persons interested in the assessment for the construction of all the lateral sewers intended and adopted for local use by property owners whose property abuts thereon under Improvement Resolution No. 4 of 1917, adopted by the Board of Trustees of the said Town on the 19th day of November, 1917, and which said meeting was held in accordance with and pursuant to notice duly and legally given as required by law, heard all persons interested in all of the laterals therein described in said resolution, except Lateral No. 5, and having considered all objections and remonstrances made in said proceedings, now finds that the several lots, parcels and tracts of land primarily assessed in and by said primary assessment roll heretofore completed, adopted and filed by said Board, are specially benefitted in the amounts, respecttively, assessed against them in and by said primary assessment roll, except as follows:

That the assesments on the following mentioned and described lots and tracts of land should be reduced from the amount as primarily assessed to the amounts, respectively, set forthes follows, in which amounts as set forth respectively as follows the Board now assesses the same, the Board now finding that the same are specially benefitted in said amounts respectively set forth as follows:-

Special Meeting to consider the
sale of the Electric Lt. Plant

"Preliminary Resolution for the Sale of the Electric Light Plant and for the Appointment of Appraisers

---

No. 6

Whereas, the town of Cambridge City, Indiana is now the owner of it Electric Light Works within said town, consisting of a plant, wires, poles, machinery and equipment, all of which is being used by said town in the production and distribution of electric current,
And, Whereas, is is by the Board of Trustees of said town deemed advisable and for the best interest of said town and its citizens and taxpayers, to sell said electric light plant and property above desribed, exclusive of the real estate, buildings and cluster light poles,
And, whereas, before any sale of said property can be consummated said property must be appraised according to law.

Now, therefore, Be Resolved by the Board of Trustees of the Town of Cambridge City, Indiana, that the Electric Light Works of said town, consisting of the plant, wires, poles, machinery and equipment used by the town in the production and distribution of electric current, but exclusive of the real estate and buildings situate on the same and the cluster light poles, be sold, and the town attorney is directed to prepare and have presented to the Wayne Circuit Court of Indiana a proper petition for the appointment of appraisers to appraise said property, upon which being done and filed with this Board, the Board shall then by further proper resolution prescribe the manner of such sale, the price at which said property may be sold, the terms and conditions of such sale and designate the officer or officers of said town who shall execute on behalf of the town the proper intrument to convey the title of said property to the purchaser thereof; after which notice of such resolution shall be given as by law provided. "

The foregoing Resolution being introduced by Mr [illegible]?
upon motion of Mr _____ was by the Board unanimously adopted, this 11th day of September, 1922.

Attest:

Town Clerk.

There being no further business Motion ... Whipple that Meeting adjourn. Seconded by Mr Doan and ...

In the matter of the appointment of Appraisers to appraise the Electric Light Works belonging to the town of Cambridge City, Indiana.

Cause No. 20246

Comes now the town of Cambridge City, Indiana, by its Board of Trustees, and by its attorneys, Harlan & Brown, and presents to the court the petition of said Board of Trustees attested by the Town Clerk requesting the court to appoint three disinterested freeholders of Wayne County, Indiana, to appraise the Electric Light Works belonging to said town, consisting of the plant, wires, poles, machinery and equipment used by said town in the production and distribution of electric current, exclusive of the real estate and buildings thereon used in said business and exclusive of the cluster street light poles, which said petition is as follows, to-wit: (Here insert).

The court being duly advised in the premises and having examined said petition finds that the Board of Trustees of said town by proper resolution entered of record on September 11th, 1922, determined that the above property belonging to said town should be sold, and that before fixing the terms of the sale that application be made to this court for the appointment of appraisers to appraise said property according to law.

It is therefore, now by the court ordered and decreed that William McBaile, Linford Johnson & Clarence A. Weichsmith each of whom is a disinterested resident freeholder of Wayne County, Indiana, be and they are hereby appointed to appraise the above described property at its just and due valuation, and that when they have completed their said appraisement they shall file the same in the office of the Board of Trustees of said town; and that before making said appraisement they shall take oath and properly qualify according to law. The Clerk of this court shall notify the above named persons of their appointment as appraisers under this order.

State of Indiana,)
) SS:
Wayne County,)

In the matter of the appointment of Appraisers to appraise the Electric Light Works belonging to the town of Cambridge City, Indiana.

OATH OF APPRAISERS.

Before me the undersigned Notary Public for and within said county and state, on this 20th day of September, 1922, personally appeared William M. Bailey, Nimrod H. Johnson and Clarence A. Kleinknecht, appraisers appointed by the Wayne Circuit Court in the above entitled matter, each being separately sworn upon their respective oaths, say that they will honestly and fairly appraise the property set forth in the petition in said cause and in the certificate issued to them by the Clerk of the Wayne Circuit Court, at its just and true valuation, to the best of their ability.

William M. Bailey
Nimrod H. Johnson
Clarence A. Kleinknecht

Subscribed and sworn to before me this 20 day of September, 1922.
